

Chap-Aid
Charity Association of the Chaplaincy of Aquitaine

**Application Procedure for Requesting Approval
of a Charity by the Chap-Aid Association**

The Chap-Aid Association was set up as the charity arm of the Chaplaincy of Aquitaine. Its aim, as stated in the statutes, is:

To enable the Chaplaincy of Aquitaine (an Association Cultuelle under the law of 1905) to provide relief for those in need, to support outreach and care to individuals and groups in France and in other countries, and to collect and distribute funds for these purposes, in a spirit of Christian concern.

Any charities which are being proposed must clearly fulfill this aim, according to the law.

Please prepare a printed document using the following form.

Then send the document to the Association's Vice President & Chairman:

Mr. Roger Cheale
Portail Rouge
24100 Bergerac

or by e-mail to: cheale@wanadoo.fr

You will be informed of the Chap-Aid Board's response as quickly as possible.

We ask that no fundraising be held prior to receiving Chap-Aid's agreement, in order to avoid any potential problems not foreseen!

With many thanks for your concern in helping others.

The Chap-Aid Board
